We are here to help. Feel free to contact us with questions or to provide feedback.

For additional information, please visit the FAQ section of our website at www.acanac.com. To provide feedback, please submit a customer review via our website or our Facebook page. For other questions, please call our Customer Experience team at 1-866-281-3538. You can also receive Technical Support at the same number – you can also send us an email at technical.support@acanac.com.

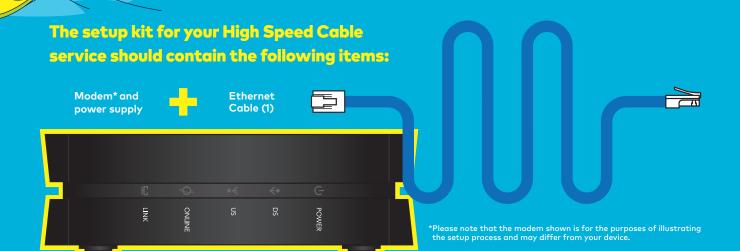

It's good to be here.

High Speed Cable Internet Setup Guide

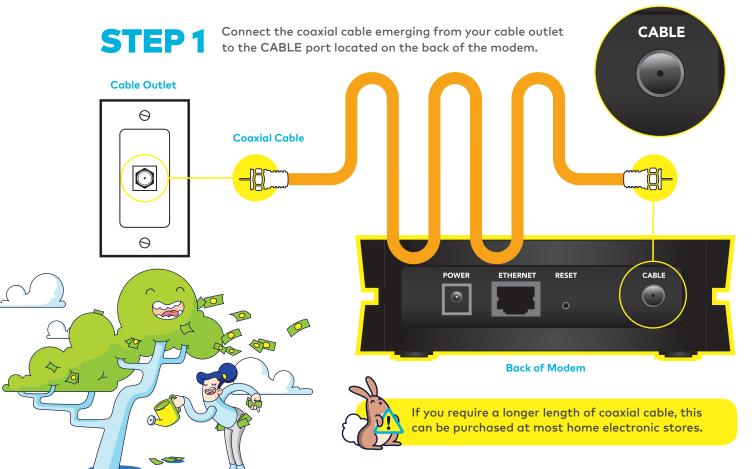

Thank You for choosing Acanac

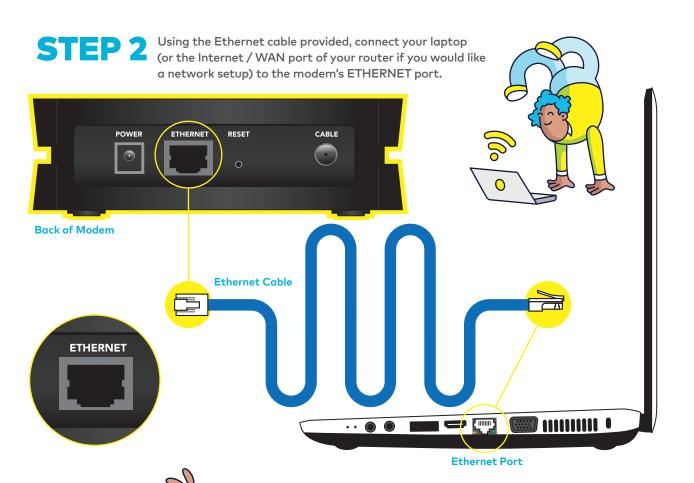

In order to ensure the smooth setup of your Acanac High Speed Cable Internet service, please follow the easy steps laid out in this guide.

Before beginning the setup process, please ensure that all of your equipment is turned off.

STEP 3

Please wait for the modem to boot-up. The POWER, DS, US and ONLINE lights must be solid; green or blue. The LINK light should be either solid or flashing. A flashing LINK light indicates data transferring. If the lights do not behave as described, repeat steps 1 and 2.

CABLE MODEM LIGHTS

LIGHTS	READ
Power	Solid Green
DS	Solid Green or Blue (Bonded Channel)
US	Solid Green or Blue (Bonded Channel)
Online	Solid Green
Link	Solid or Flashing Green or Blue (Gigabit)

Front of Modem

CONGRATULATIONS! YOUR SETUP IS NOW COMPLETE.
