We are here to help. Feel free to contact us with questions or to provide feedback.

For additional information, please visit the FAQ section of our website at www.acanac.com. To provide feedback, please submit a customer review via our website or our Facebook page. For other questions, please call our Customer Experience team at 1-866-281-3538. You can also receive Technical Support at the same number – you can also send us an email at technical.support@acanac.com.

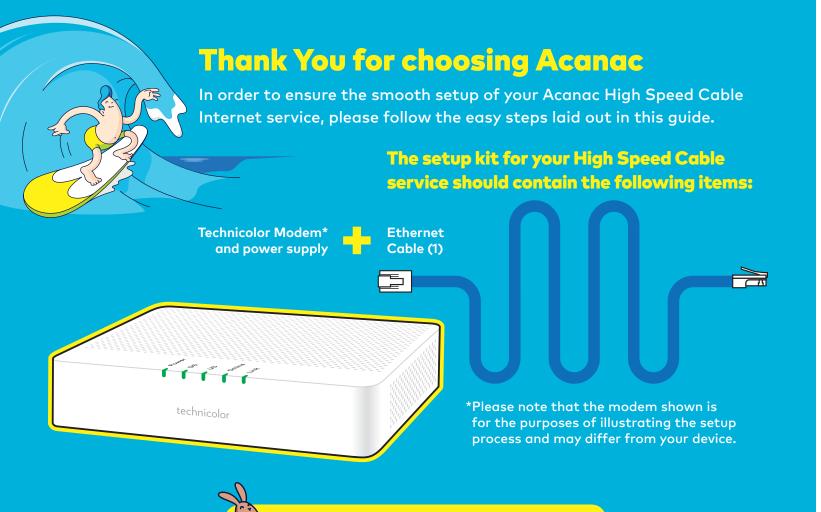

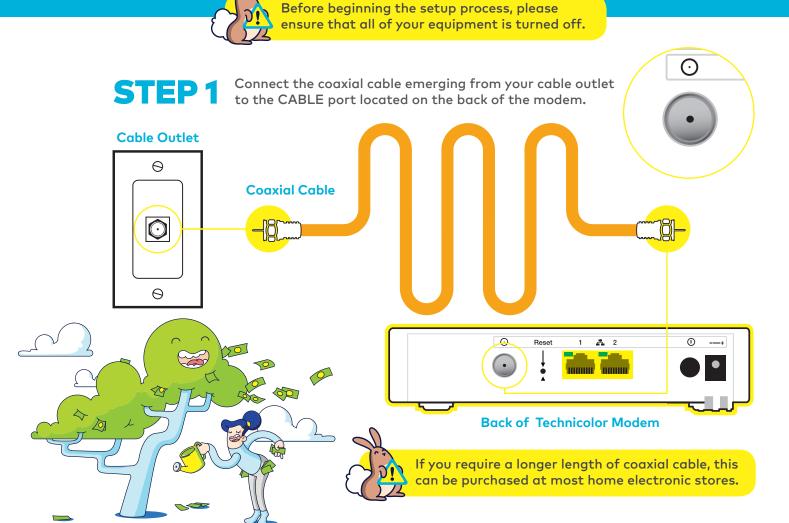

High Speed Cable Internet Setup Guide

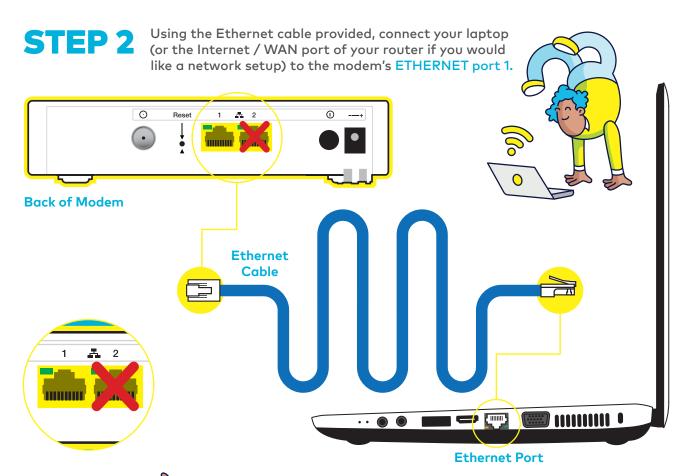

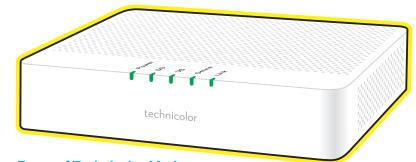

You may now turn all your devices back on.

STEP 3

Please wait for the modem to boot-up. The Technicolor modem must have solid POWER, DS, US and ONLINE green or blue lights displayed. The LINK light should be either solid or flashing. A flashing LINK light indicates data transferring. If the lights do not behave as described, repeat steps 1 and 2.
